Expansive , 7 bedroom villa for sale, Orba, Inland Costa Blanca. This substantial, family villa is beautifully presented as a large family home with spacious guest accommodation or a home with potential, separate, rental accommodation. The current owners have recently remodelled the living spaces which consist of; an open plan living room, dining room and a fully equipped, kitchen. These spaces are elegant and modern and have real "wow factor". Also on this floor you have a double bedroom, a utility room and a further two double bedrooms with ensuite bathrooms. These two bedrooms have separate access and could be made independant, ideal for those looking to relocate with an extra income. From the expansive terrace there are jaw dropping views across the Valley to the Mediterranean Sea. This view is a stand alone feature for this exceptional family home. To the lower level, there is a double bedroom with separate access, and enough space to create an ensuite bathroom. The swimming pool is private and surrounded by open terrace on one side and those views on the other. There is a fabulous summer kitchen and BBQ, perfect to entertain family and friends. From this terrace there is access to a further two double bedrooms and a family bathroom. Furthermore, on the level of the garage, there is a self contained apartment. The apartment has not yet been utilised, but with a small cash injection it could be luxury guest accommodation or an excellent business opportunity. The garden areas are planted with mature trees and shrubs and have been kept low maintenance. This is a unique investment opportunity. It is an expansive family home for those with extended family and guests. Alternatively, it is a great opportunity for the buyer looking for a luxury home with a guaranteed rental income.
