\*Certainly one of the most impressive beachfront property of the new golden mile, that has been redesigned in a beautiful Mediterranean style and offering generous accommodation, built over 2 floors in early 2000.

The property boasts some beautiful interiors having been finished in a combination of rustic and neo-modern style. The modern designer furniture gives a very special touch to this beautiful villa. The property offers a spacious entrance hall leading into a reception room with beamed ceilings, separate dining room, TV room, cloakrooms, fully fitted modern style kitchen with huge dining area, 9 bedrooms, 9 bathrooms. Plus a large basement with a huge garage for 20 cars.

The master suite is situated on the upper floor with beautifully designed gallery giving a cozy sitting area, with 2 large walk-in closets and impressionable bathroom with separate shower and very large terrace. Throughout the villa, the most spectacular sea views can be enjoyed. The impressive Alhambra style gardens and fountains create a spectacular entrance drive that leads directly to the front of the house.
