This Well presented property in Albir hosts 4 bedrooms with the opportunity to create more living space or and bedrooms with extra rooms for socialising. The villa is on 3 floors, on the ground floor there is a garage, livingroom, kitchen and small bathroom. the kitchen and livingroom are connected for easy living with access onto the back large terrace. There is a front and back garden on this lovely villa with a driveway also for more vehicles. the back Terrace wraps around the back of the villa and has steps that lead off to the back gate of the community towards the communal pool. Upstairs there was 4 bedrooms, the master being an ensuite and having a terrace. 2 bedrooms also leads to another living space which could be converted to another additional room if neccessary. There is also another bathroom on the upstairs which is easily accesible from all the bedrooms on the corridor. From the ground floor you can also go downstairs to the basement which is currently being used as a gym / library and also a relaxing area with a tv. This area could be converted to a fully functional living area again if needed. This is a great opportunity for anyone needing the space for guests or family, if you would like to visit this villa, please contact us!
