Along with a spacious walk-in shower and a contemporary bathroom featuring dual sinks, the master bedroom offers a huge dressing area. This level also has a tiny utility room and laundry patio, in addition to another ensuite bedroom. The property's ground level is open concept as well, featuring a small cooking space and another room. Two additional bedrooms are available, each with an own bathroom. There's a snooker section too. The gardens, the private pool, and a second terrace are all accessible through patio doors. The villa is well located with great views, in a private, gated cul-de-sac, within easy reach of the clubhouse at Rio Real Golf, as well as a short drive from the centre of Marbella.
