From the living area there is access to 2 large bedrooms, both with fitted wardrobes, a guest bathroom, and the master bedroom with ensuite bathroom. Attached to the property is a double garage. The middle terrace has a separate access which also leads to an area for exercising horses. The bottom terrace area boasts a shelter for horses and a storage room. The property also has a 5kw solar photovoltaic system with storage batteries, which not only powers the property but also allows for the resale of unused energy back to the national electricity grid.
