This is a special opportunity to acquire a serious good offer in Manilva village, you all know Manilva is growing and a lot of the costa del sol eyes are now for future projects facing our side, just because Manilva is pure, Old style andalusian gorgeous village close to the sea, with own wine, close to loads of different spectacular golf courses, granada, ronda, marocco, Tarifa etc etc. Now this is a special deal, for someone looking to change their lifestyle. What we have for sale is 1) The hostel (with 7 rooms varying one bedroom or triples and there is one exclusive sweet with double jacuzzi that takes a 130 Euros a night). 2) The bar, good size bar with kitchen and has always worked well in the village, the bar though needs some modernizing and tlc, but I am sure if you open this, it will be used, or we can help rent out this part for a 1000 Euros a month. 3) A three bedroom apartment on the first floor, fantastic home to live in and the former owner uses the top terrace of the building himself at the moment, but you could also offer this to your clients from the hostel for example (Or keep this for yourself! Hehe). 4) And also there is another spacious one bedroom apartment, fully fitted kitchen etc, so you get two Properties, a bar (working business) and a very well working hostel, this business has been maintained and the hostel itself has a laundry room and an office. There is a good WIFI installation and it works with key safes and online so you can work and also enjoy the sunny days. Lots to explain, IF you feel that I have triggered your interest, please do not hesitate to contact us asap, whatsapp is always the quickest. Looking forward to seeing you soon and making a deal!
