Great location! Lovely 3 bedroom, 2 bathroom detached Neptune Style villa with stunning open views on an extra large corner plot with a very well presented garden area with private pool. Walking distance to the commercial area on A sector of Camposol. This property got it all. Enter this property via the front gate that leads into the large, landscape garden area. This garden area is nicely landscaped and has plenty of seating areas with a raised terrace to enjoy the stunning open views at one side and towards the Sierra Espuña National Park on the other side. To the left of the villa is the pool area with lovely covered seating area. There is also a sauna, but this is negotiable. You enter the property into a conservatory where you have stunning open views over the countryside and mountains in the distance. The front door opens into the spacious lounge area. Here you have air conditioning, ceiling fan and a fire place to keep you comfortable the whole year around. Through an archway you come in to the dining room and from there into the fully equipped kitchen with lots of cupboards and working space. At the other side of the lounge a small hallway will take you to the 2 bedrooms, 1 bathroom and extra bonus, a door straight to the pool area. The main bedroom is very spacious and has built in wardrobes, ceiling fan and electric panel heater. The 2nd bedroom is used as a study at the moment, but could fit a double bed or 2 single beds. The family bathroom is spacious and has a walk-in shower. This is next to the door outside going to the pool area, so very handy located if you are in the pool or using the sauna. The bedroom on the first floor is accessed by stairs going up from the backdoor in the kitchen. Here you have another large bedroom with built in wardrobes and en-suite bathroom. Sliding doors will take you to the roof solarium with the best open views you have seen. From the kitchen backdoor you access the raised terrace. Here you can enjoy your meals al-fresco with beautiful views either way. At the back of the property is a gravelled area with storage room and there is a private driveway with carport in the front. This property is unfurnished, has air conditioning in lounge and dining area, electric panel heaters in all rooms. This villa has the most beautiful views you have ever seen and is sitting on a big corner plot of 885m². The commercial area of A sector is just around the corner. One that can not be missed!
