However, this could be changed to planning permission for living accommodation, Equestrian centre, Holistic retreat etc. with the necessary approval. The plot is 30km from the historic town of Ronda, one hour from Malaga Airport, and one hour and 15 minutes from Marbella. The area is awash with tourists, cyclists, motor bike enthusiasts, campervans, etc. The village of El Burgo offers numerous bars and restaurants, and provides all amenities for everyday living. The potential of the plot, offers a massive opportunity for the discerning client. There is also the prospect of an EU Grant of 25% of the build cost, if appropriate to your development. Offers are invited around €450,000.
