The plot is walled and gated at the front and there is off road parking for several cars, a double car port and a garage. The plot is made up of terraces, seating areas, a fully irrigated garden area and a large 15m pool with roman steps and a pool side shower. The house comprises of a small entrance porch that leads into a large open plan kitchen/lounge area with a vaulted and beamed ceiling. The kitchen has plenty of units and a granite worktop and the lounge has AC, ceiling fans and a double wooden door out onto a terrace. There are 3 double size bedrooms on this upper level with fans and AC units. The master bedroom has an en suite shower room and also a walk in wardrobe. On the lower level there is a separate living area with a kitchen, lounge, 2 double size bedrooms and 1 bathroom and 1 shower room. Cortijo Linea would be perfect for somebody looking for a large property with separate living area and close to amenities.
