

Ref: ES152098

Price: 75,000€

 **Land**

 **Periana**

 **150m² Build Size**

 **2,400m² Plot Size**

Parcela Cortijo Blanco is a fantastic sized , mostly level plot of 2400m2 with direct access off a main road at the top near to where the ruin sits. Peaceful and quiet this plot has much potential and the buyer with the right ideas could transform this into an idyllic setting for a well sized new build property with extensive gardens and a pool with lake and mountain views. We estimate that a total invenstment of 230,000 euros could leave you with a property worth 325,000€ in todays current market. The key point apartm from the access, views and build size is the plot size as most buildable pl...(Ask for More Details!)

Parcela Cortijo Blanco is a fantastic sized , mostly level plot of 2400m² with direct access off a main road at the top near to where the ruin sits. Peaceful and quiet this plot has much potential and the buyer with the right ideas could transform this into an idyllic setting for a well sized new build property with extensive gardens and a pool with lake and mountain views. We estimate that a total investment of 230,000 euros could leave you with a property worth 325,000€ in today's current market. The key point apart from the access, views and build size is the plot size as most buildable plots are a maximum 1000m² which makes this all the more interesting at 2400€ of usable land!!!!!!.
