The property has a private, gated driveway, with 2 covered parking spaces at one side and ample parking for a further 3-4 vehicles if required. The large garden area to the front of the house has a variety of mature trees and planting, making the house very private and giving lots of room for the large swimming pool and 2 spacious terraces. To the rear of the property is another terraced area and views over the golf course valley and out towards the surrounding mountains. On entering the house at the ground level, we find a completely self-contained 2 bedroom apartment, wit...(Ask for More Details!)

On entering the house at the ground level, we find a completely self-contained 2 bedroom apartment, with a large living area, a laundry room and a large storage space. Heading up the external staircase to the main house takes us on to a wrap-around covered terrace with nice views over the garden and surrounding valley. On entering the house we find a large living/dining area with an open plan kitchen, a family bathroom and a double bedroom. there is a feature staircase from the living area leading up to the top floor where there is a bedroom and en-suite bathroom and another terrace, with the best views in the house.
