New build villas for sale in Polop. Modern single storey or duplex homes with 3 bedrooms, garden in natural surroundings. These are the last new build villas for sale in Polop Hills. A new urbanisation located at the foot of Monte Ponoig. A combination of security, nature and comfort in a quiet environment, while still being close to the beach of Albir and the bustling Benidorm, with La Nuvcia just a 5-minute drive away.

Description There are 2 types of villas still available: single storey and duplex. Both have 3 bedrooms, an open-plan kitchen and large windows that ensure a bright home. Equipped with ducted air conditioning, double glazing, roller shutters, a fully fitted kitchen and a separate laundry room. The plots are fully fenced, ensuring privacy. Depending on the plot, there is parking on site. The garden comes with artificial grass and pre-installation for charging electric cars. Depending on the plot, there are options for installing a private swimming pool (at an additional cost).

Special features Last villas for sale in Polop Hills. Only 2 models left: single storey and duplex. Air conditioning, double glazing and roller shutters. Fully equipped kitchen and laundry room. Fenced plot with parking. Artificial grass garden and pre-installation for electric car. Possibility for private swimming pool.

Why view these villas Quiet location in a natural environment. Close to beach and towns. Only a few left. Attractive price for new build villa.
