Experience the pinnacle of modern living in the heart of the Golden Triangle. This exclusive development offers 88 luxury residences, including 2- and 3-bedroom apartments, duplexes, and penthouses, seamlessly blending contemporary design with environmental sustainability.

Situated in the tranquil El Paraiso/Atalaya area, residents enjoy easy access to Marbella, Estepona, pristine Mediterranean beaches, and world-class golf courses. The community is surrounded by green zones, international schools, fine dining, and top-tier leisure facilities, making it an exceptional investment location.

Designed for a resort-inspired lifestyle, the development features a stunning 40-meter central pool, spa facilities with an indoor pool, sauna, and Hammam, a fully equipped gym, co-working spaces, and social lounges. Residences boast open-plan layouts with retractable floor-to-ceiling windows, spacious outdoor areas, and high-quality finishes, including Porcelanosa bathrooms and state-of-the-art kitchens.

Committed to sustainability, the development integrates solar panels, geothermal heating, and advanced energy-efficient systems, aiming for an A+ clean energy rating. Security is paramount, with 24-hour gated access, underground parking, and landscaped gardens designed for privacy and tranquility.

Embrace a luxurious, secure, and sustainable lifestyle in one of the Costa del Sol's most desirable areas, offering unparalleled comfort and style year-round.
