This set of three rural estates, with a total of 17.545 m², is strategically located near the Artá-Capdepera road, just behind Capdepera's industrial estate. The property enjoys excellent accessibility and offers unobstructed views of the mountains and the picturesque village of Capdepera, providing a peaceful and natural environment.. . Estate 1:. Agricultural Warehouse: A building of approximately 140 m², equipped with a rainwater cistern.. Tool Shed: A small and old stone shed of about 25 m², ideal for storage.. . Estate 2:. Natural Water Well: Fully legal and functional, providing a reliable source of water.. Infrastructure:. The estates are partially enclosed with a block and masonry wall, ensuring security and clear property boundaries. The main entrance is built with "marés" stone, offering a solid and aesthetic access point.. . Estate 3:. Another of the estates includes storage facilities and porches built for agricultural use, around 250 m², fully registered.. The electrical connection is about 400 meters away, facilitating future connections to the grid.. The combined buildability of the three estates allows for the construction of a house with the following features:. . Construction Area: 262 m² on the ground floor.. Height: Option to add a first floor.. Swimming Pool: Approximately 30 m².. . Currently, there is a preliminary project to expand the existing construction, transforming it into a two-story house with garage and swimming pool. This project includes visual renderings showing what the house would look like once completed.. . These estates represent an excellent investment opportunity, both for agricultural use and residential development. The possibility of building a new house with pool and garage adds significant value to the property.. The price does not include the taxes related to the purchase of the property, nor notary and registry expenses.. We are builders and are available for any further information or to arrange a visit. If you would like to build a new house on this property, please contact us.
