A MORE CREATIVE WAY OF LIVING Creative Homes Boulevard is located in the northwest of Malaga next to the university area of Teatinos. The Creative Homes Boulevard residential complex is a perfect harmony between beauty, functionality and design, as reflected in its avant-garde building that houses 1 to 4 bedroom homes with large terraces, and its spectacular common areas designed for everyone and everyone. Welcome to the Creative Living Club At Creative Homes Boulevard there is a different way of living, in which well-being, art and innovation merge to foster a more creative, relaxed, healthy and happy lifestyle. A place designed to take care of you, with a wellness area with gym, swimming pool and spaces for relaxation and meditation. To inspire you, where avant-garde architecture and design are breathed in every corner. To transform yourself, where innovation facilitates your day to day, with an app that will allow you to control access to your residential, book common areas and much more. A Boulevard for a more active life If you are looking for a new way of living, in Creative Homes Boulevard you will find a modern and inspiring environment in a new residential area of great projection next to Teatinos-Universidad, a new neighbourhood, perfectly connected, with wide roads, large avenues, more than 13,000 m² of green areas and all the necessary services, where life revolves around a spectacular boulevard of more than 23,000 m² with all the equipment you can imagine: sports courts, skate park, petanque area, playgrounds and canines, recreational and catering areas. New construction homes in Malaga There is located Creative Homes Bulevar, a residential complex of 168 new construction homes from 1 to 4 bedrooms with large terraces of more than 12 m², optimal distributions, spacious and bright spaces with large windows that flood your home with light, fully furnished and equipped kitchens, garage and storage room. All designed so that you enjoy maximum functionality and comfort in your day to day. Enjoy your own Club The residential has more than 1,000 m² of common areas in which spaces designed for everything and everyone are distributed. Pool area with divided spaces for different uses and Aqua kids Park for the maximum enjoyment of the little ones. Fitness area (indoor and outdoor) with all sports equipment, as well as a Yoga and Meditation space to connect with your own body. Locker area to pick up your shipments at any time, without worries. Bike workshop, to get your bike ready whenever you need it and even Gastroteca and Ludoteca Zone to enjoy the best relaxing moments with family and friends. Breathe, disconnect and heal your body in the SPA, with sauna, Turkish bath, indoor pool, solarium and massage room. In creative homes boulevard, you can enjoy your own movie theatre where you can share laughter and popcorn. Share your ideas and work on your Coworking, meeting rooms and coffee break. All homes include parking space and storage room in the price.
