135m<sup>2</sup> Build Size

Great apartment located in the urban center of Marbella. a few meters away from the promenade.

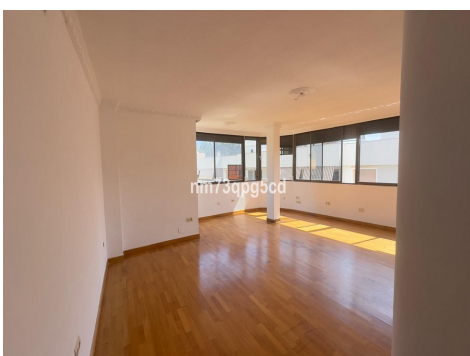

The current distribution of the property is a large living room, kitchen, two bedrooms, two bathrooms and terrace.

It can be converted into three bedrooms that would return its original layout.

The property has a south west orientation, lots of light, open views and is located on a central street with services and commerce and limited traffic.

The apartment is sold with a parking space and a storage room. A true luxury for those who live in the urban center!

The community roof is for communal use.
