The La Cala Resort is a golf complex in the municipality of Mijas and in the province of Málaga. It includes three 18-hole golf courses (Campo América, Campo Asia and Campo Europa), a 6-hole par 3 pitch & putt course and a La Cala Golf Academy. It also has a four-star hotel La Cala Spa Hotel.

The three 18-hole courses were designed by Cabell B. Robinson and have different levels of difficulty.

Both the hotel and the other facilities are in traditional Andalusian style. It was inaugurated in 1989. Malaga and Marbella can be reached in about 30 minutes by car.

Near the property is the famous German school la Mairena !
