Modern New Build Quad Villas in Bigastro, Alicante

Contemporary Villas in a Peaceful Mediterranean Setting
Discover this exclusive development of just 8 modern quad corner villas located in the charming town of Bigastro, in the Alicante province on the Costa Blanca South. Situated in a growing residential area within walking distance of the town center, these stylish homes offer an ideal combination of comfort, modern design and excellent value for money in a peaceful Mediterranean environment.

Bigastro is a traditional Spanish town in the Vega Baja region, known for its relaxed atmosphere, excellent local services and convenient access to the coast and major cities. Surrounded by nature and orchards, the town provides an authentic lifestyle while remaining close to beaches, golf courses and shopping centers.

Spacious Two Storey Villas with Flexible Layouts
These contemporary villas offer approximately 142 m2 of built area distributed over two floors. Each property includes 3 bedrooms, with one bedroom conveniently located on the ground floor, 2 bathrooms including one ensuite bathroom, a guest toilet and a private patio. The upper floor features a large open terrace ideal for sunbathing, outdoor dining or relaxing all year round.

Buyers can choose between properties with or without a basement. The basement includes an English patio that provides natural light and ventilation, creating additional versatile space suitable for extra bedrooms, a home office, gym, games room or storage area.

There is also the possibility to add a private rooftop solarium, a private swimming pool or customize the basement layout according to individual needs.

High Quality Features and Energy Efficient Design
These villas have been designed with modern finishes and energy efficient systems to ensure maximum comfort and low maintenance. Each home includes:
Furnished open plan kitchen connected to the living and dining area
Fitted wardrobes in all bedrooms
Pre installation for ducted air conditioning
Electric shutters in bedrooms
Exterior carpentry with thermal break technology
Reinforced security entrance door
Motorized vehicle access gate
Aerothermal system for hot water production

The combination of contemporary architecture and functional layouts creates bright and welcoming living spaces perfect for permanent living or holiday use.

Excellent Location with Great Connections
Bigastro offers all essential services including supermarkets, schools, sports facilities, parks, restaurants and local shops. Its strategic location provides quick access to nearby coastal areas and major road networks including the AP 7 motorway.
