Set on a generous 1,134 m² plot just 600 metres from the beach, this recently renovated four-bedroom villa offers relaxed coastal living on Estepona's New Golden Mile. Its southwest orientation, bright interiors and inviting outdoor spaces make it a home to enjoy throughout the year.

The living and dining area forms the heart of the house, connecting to a semi-open kitchen and the garden beyond. A clean, understated design creates a welcoming atmosphere, with a practical layout that suits both everyday life and entertaining.

All four bedrooms have direct access to the garden. Two feature en-suite bathrooms, while the other two share a bathroom, providing comfortable accommodation for family and guests.

Outside, the private saltwater pool is complemented by lawn areas and terraces, with space to relax in the sun. A covered outdoor kitchen and dining area provides a sheltered setting for long lunches and evenings with friends. The gated plot also offers parking for several vehicles and a separate storage and utility room.

Sold fully furnished, the villa is ready to move into. Shops, restaurants, schools and golf courses are close by, with Guadalmina, San Pedro and Puerto Banús within easy reach, an appealing setting for a permanent residence or a holiday home by the sea.
