The first floor hosts a lounge, two bedrooms, kitchen, bathroom and private terrace. The second floor hosts 4 more rooms. The pueblo of Casarabonela nestles between springs, in the foothills of Sierra Prieta and the Sierra de las Nieves Natural Park, Casarabonela is a great place to catch some of the best sights of the Guadalhorce Valley and an essential destination for the lover. “Although it does require extensive refurbishment it could be re-established as a bar or small hotel or alternatively it could be converted into a very individual family house. All mains services are available.”
