UNDER OFFER

Very charming detached house with separate guest accommodation located within walking distance of all of the amenities of Carratraca pueblo. The house is situated within a 448 m² beautiful mature garden and has a total build size of 115 m². The accommodation is distributed over two levels. The main living accommodation is located at garden level. One enters through a very pretty front porch into an entrance hall which leads through to the various rooms which comprises of a spacious lounge with wood burning stove and access directly out to a very charming sun lounge and to the garden, 2 double bedrooms with fitted wardrobes, a very generously proportioned West facing dining room which leads out to a large terrace, a kitchen and a bathroom. In addition to the main living accommodation, there is a very charming guest studio apartment on the upper level which comprises of a kitchen/living room/sleep room, a shower room and a walk in closet. This apartment enjoys an expansive private West facing terrace hosting fabulous views towards Carratraca pueblo and over the Andalucian countryside. This property also enjoys a detached 5mx3m garage which accommodates a laundry area and to the rear of the garage is a small studio room. The current owner has nurtured a very attractive established garden during the last two decades, which is planted out with a wide variety of plants, trees and shrubs. Although a little dated in some of the finishes, this property, with very little further investment could be transformed into a very spacious Andalucian villa. Through choice, the current owner has not installed a swimming pool but because the land on which it is located is classified as "urban "land, it should be easy for a new owner to obtain permission to build a swimming pool. This property has lots of lovely shady and sunny entertaining areas enhanced by some attractive arches. All mains services are connected.
