We have the property you are seeking! Live the Dream in Sunny Spain, YOUR dream. This very stylish, professionally refurbished, 4 bedroom and 2 bathroom, town house enjoys an enviable location in one of the most prestigious streets in the centre of Álora pueblo. Built on a 95m² urban plot the property extends to a total build size of 171m². There are two separate units of accommodation, the main house and a "guest annexe". The property really has "kerb appeal" hosting a very stylish and elegant facade. At street level the main house offers a bright, spacious living room / dining room, leading through to a new, quality built dining kitchen which is fully equipped with oven, hob, integrated micro-wave, dish washer and featuring a very attractive reproduction "Belfast style" sink. There is also ample room for dining in the kitchen. An attractive staircase leads from the living room to the upper level of the main house which hosts a generous landing /hallway, two bedrooms and a family bathroom. The bedroom located to the front of the property, which enjoys aircon/heating, hosts a Juliette Balcony providing an enviable position for viewing and participating in the many processions and activities which are part of the culture of life in an Andalusian "pueblo blanco". The bedroom located to the rear of the main house enjoys access out onto a private terrace. From the kitchen, one can directly access, the ample Andalusian patio which offers a private and secluded entertaining area and access to the "guest annexe". This annexe provides accommodation over three levels:- The ground floor offers a bathroom and a room currently used as an artist's studio /craft room. An attractive staircase leads up to a large room currently used as a bedroom and a further staircase leads to the 4th bedroom. The guest annexe currently gains access via the main house but, historically, it was accessed from a parallel little street and, should it be preferred, a new owner could reestablish this access to provide totally independent accommodation. The current owner has not spared any expense in the refurbishment and remodeling of this property, using quality materials throughout, including plumbing, electrics, tiling, carpentry and installation of double glazed windows. This property is truly in immaculate "walk-in" condition and the flexibility offered by the distribution of the accommodation is such that it would be ideal for use as a comfortable private home but could also offer the possibility of exploitation to provide holiday letting accommodation. Álora is a busy market town with a population of just under 13,000 inhabitants. It has lots of amenities such as shops, restaurants, schools, sports facilities and a theatre. Located 38kms from Malaga city it is an easy half hour drive from Malaga International airport. There are always lots of cultural and sporting events going on in Alora. The slogan for the town is ALORA VIVE which means "Alora Lives" and it certainly lives up to that. In May 2020 it was classified as being a "municipio turístico de Andalucía" which signifies that it has been recognized as having touristic importance. This has been partly due to the success of the redevelopment of the "Caminito del Rey" at nearby El Chorro. The "caminito" had been in a state of disrepair for many years and closed to the public but the new project of restoration has provided a 6km walk way hosting stunning views and it reopened in Spring 2015 and has resulted in an important influx of visitors to this area. In fact, the location of this property is such that it offers an excellent base for guests wishing to visit any or all of the main cities of Andalucía. Seville, Cordoba and Granada are all within less than 2 hours drive of the property making it an ideal tranquil base to return to following a day trip to any of those vibrant major cities. Enjoy the warmth of the country and of the people. Save money too, NOBODY Offers more than we do, We GUARANTEE IT, call, write, text or email and then see it for yourself, you will never look back.
