This charming traditional village house is located in a prestigious residential street of Álora pueblo.

The accommodation extends to 121m2 and is distributed over 2 levels on a plot of 99 m2.

At street level one enters directly into a welcoming reception lounge leading through to a hallway which leads through to the rear of the property to a bright dining kitchen.

There is a sun lounge off of the kitchen with a bathroom off.

One further room which could be used as a 3rd bedroom or sitting room or formal dining room completes the internal accommodation on this level.

This property enjoys a generous rear patio hosting a laundry area and off of which is a further room which would be ideal as a Summer kitchen or entertaining room. It is attractively tiled and hosts a feature fireplace.

A stairway leads up from the patio to the upper terrace which hosts views over the roof tops to the countryside beyond.

The upper level of the house hosts two very large bedrooms.

All mains services are connected and this property is offered in habitable condition.
