We have the property you are seeking! Live the Dream in Sunny Spain, YOUR dream.

This very spacious charming traditional 4 bedroom village house is located in a quiet street in the centre of Casarabonela pueblo.

The accommodation is offered over 3 main levels.

At street level one enters onto a welcoming reception room which leads through to a sitting room.

A large bedroom with a very impressive bank of fitted wardrobes, a modern shower room and a dining kitchen, completes the accommodation on this level.

From this level there are a few steps leading down to a very charming Andalusian patio off of which are two spacious outbuildings, formerly used as stables but currently used as a laundry room and large storeroom but ripe for further development.

There is also a toilet off of the patio.

Steps also lead up to a glorious sun terrace which hosts views as far as the Mediterranean ocean!

On the upper levels of the property there are 3 further double bedrooms. All of them enjoy magnificent views and a further roof terrace enjoys sun all through the day.

This property is traditional in style hosting several attractive original features such as some beautiful antique floor tiles, however, it has been well maintained by the current owners and is in habitable condition offering a spacious comfortable large family home.
