This traditional village house enjoys a privileged position in, arguably, one of the prettiest and most prestigious residential streets of Alora pueblo. The property enjoys access from two parallel streets. The living accommodation extends to 80m<sup>2</sup> distributed over two levels. The principal entrance to the front of the property leads into a welcoming reception room which leads through to a second sitting room, which, in turn, leads through to a dining kitchen. A spacious modern shower room and 2 bedrooms complete the living accommodation on this level. A further 3 bedrooms are located on the upper floor with access provided via an attractive staircase leading from the reception room. One of the bedrooms, located to the front of the property, is particularly spacious and enjoys direct access out onto a balcony. To the rear of the property is an Andalucian patio which hosts a store room which could easily be converted into a garage as the property enjoys direct access to the street to the rear of the property. Finally, an upper terrace, enjoying restricted views over the Andalucian countryside is accessed from the patio. Although a little old fashioned in style, the structure of this property is in excellent condition and the property, as a whole, has been well maintained by the current owners. All mains services are connected.
