Top Floor Torrevieja Apartment This second floor apartment comprises of two bedrooms, one bathroom, American kitchen, reception hall, terrace off the lounge and a roof top solarium with views over the sea and mountains. This apartment is just minutes away from shops, bars restaurants, supermarkets, etc. The golden sandy Blue Flag beaches of Costa Blanca South are only 10 minutes away by car. Torrevieja is located amongst lagoons, on a great plain, a destination of great importance. The current municipality grew next to a tower (Torre), the old one (la Vieja), which gave it its name along with some natural characteristics that have marked its history and its daily life. The area boasts some splendid beaches, with which it has developed its tourist capacity in combination with its seafaring and salt-making tradition. Today, also, the production of Salt, one of the main European producers, has a competitor in international recognition, the Cuban dances and its International contest, declared as being of International tourist interest, which celebrates in homage to the "Torrevejeneses" that traded with Cuba, colony from which they brought these melodies. For sightseeing in Torrevieja you can enjoy the harbour, the fish market, the Church of La Inmaculata Concepcion, the Iglesia de Nuestra Señora del Rosario, tour of the S-61 Delfin submarine and the museum of sea and salt. Torrevieja is surrounded by the salt lakes of the Laguna Salada de la Mata and the Laguna Salada de Torrevieja and as a result the climate is meant to be very healthy especially for people with arthritis. The salt lakes are protected and form a natural habitat for numerous protected species of bird such as the greater Flamingo and Montagu's harrier. Torrevieja is almost becoming a city it is expanding so rapidly and as a result facilities are very good with three excellent hospitals. There are also private and national health clinics with many doctors and dentists of all nationalities. The commercial centre Zenia Boulevard is close by as lots of other bars and restaurants and local amenities. The property is in a great location for motorway connections and airports. There are three marinas locally, located in Torrevieja, Cabo Roig and Campoamor each offering a good selection of bars and restaurants. Orihuela Costa boasts three golf courses; Villamartin, Las Ramblas and Campoamor, and there are many more play along the Costa Blanca. The airports of Alicante and Murcia are only 45 minutes away.
