Luxury development in Benahavís (close to Marbella). It is a secure gated community offering prestigious lifestyle in close proximity to sports and leisure facilities. Apartments and Semidetached Villas in the Hills of Marbella. AREA Marbella, the glamorous resort town on the Costa Del Sol, is a favorite destination for those seeking a fun and relaxing environment. The attraction to Marbella's lifestyle, climate, beaches, shopping and entertainment, has been drawing expatriate communities since the 1950s. Marbella enjoys more than 300 sunny days a year, a mild winter and a strong tourism infrastructure, which makes it one of the most desired tourist destinations in Southern Europe. The property on which this development will be built, has an area of 150,000 square meters. It is 10 minutes from Puerto Banus and 15 minutes from Marbella. Marbella has numerous attractions for all ages, including Puerto Banus, Marbella Old Town, the beachfront promenade as well as a multitude of entertainment outlets like golf courses, horseback riding clubs, tennis and paddle tennis courts, gymnasiums and spas, as well as boating and water sports, along with various other amusement and water activities for all ages. OUTDOOR This will be developed into an elegantly designed residential community, which will include 16 Semi-Detached Villas with 4 bedrooms and 110 Villa Apartments with 2 to 4 bedrooms ranging in size from 104 to 224 square meters; in addition to spacious terraces and gardens. The property will be developed in 2 phases, whereby the number of units in Phase 1 will be 55 and 71 in Phase 2. Contact us for more info on apartments/semidetached villas, floorplans etc. QUALITY The project will be actively managed and maintained, to optimize the return on investment for those seeking to rent their units, while efficiently maintaining the property to achieve a reasonable cost, using renewable energy systems to attain an eco-friendly environment. This development also allows you access to some of the coast most exclusive hotels and beach clubs, and all of their amenities, spa, tennis, pool, restaurants, kids area and more.
