

Ref: R3989485

Price: 550,000€

 Plot - Residential El Madronal 2,822m² Plot Size

One of our best value plots in terms of purchase price and land preparation. It's unique "pizza slice" shape gives it the minimum plot size allowed to build in El Madronal but lets the owner keep build costs to a minimum by having a smaller garden area which can suit some buyers who don't want the responsibility of a large garden. Partial sea views and great potential.
