A new development of luxury Villas on the edge of the popular town of Finestrat, only a short drive to Benidorm, Albir and Altea. These Villa's are being completed in 2022, and have been constructed to a very high specification. Due to the elevated Position of the development there are amazing views of the Manhattan skyline of Benidorm and the Mediterranean Sea. These properties can be tailored to your own needs with many optional extras available. Each Villa has a private pool, generous plot size and a roof top solarium to maximise the views. Please contact us to arrange your private site tour to ... (Ask for More Details!)
