We are pleased to present this amazing new build project in the popular town of Finestrat, only a short distance from the popular towns of Albir, Altea and Benidorm. This project has a beautiful shallow ravine running through, and has been surrounded by pure nature stone which gives a stunning impression. There will be a unique pedestrian bridge built over the ravine. Every property on this project will be South facing, giving you maximum views and sunshine all year around. The panoramic view takes in the Mediterranean Sea and the town of Benidorm, where in the evening time you will ... (Ask for More Details!)

We are pleased to present this amazing new build project in the popular town of Finestrat, only a short distance from the popular towns of Albir, Altea and Benidorm. This project has a beautiful shallow ravine running through, and has been surrounded by pure nature stone which gives a stunning impression. There will be a unique pedestrian bridge built over the ravine. Every property on this project will be South facing, giving you maximum views and sunshine all year around. The panoramic view takes in the Mediterranean Sea and the town of Benidorm, where in the evening time you will be thrilled by the stunning Manhattan skyline! All of these duplex apartments have an amazing roof terrace with far reaching views. Inside you will find a well equipped kitchen which includes a hob, extractor hood, oven, micro, built-in dishwasher and built-in refrigerator. The contemporary style bathrooms are finished with a hanging toilet, bathroom furniture, and a shower floor in the same tile as the bathroom floor. There is also electric underfloor heating in the bathrooms. Each property will come with air conditioning, and a parking place along with separate lockable storage areas. An amazing project with unique views, these properties are selling very fast, please contact us and we will provide you a fully guided tour and all the options available for your new home in the sun! One not to be missed!.
