A beautiful Villa on a very large plot for those who are looking for tranquility, privacy, nature or extra space for any outdoor hobby. It is located at a short distance from the beach and the town. You can see the sea and the Peñón de Ifach from the house, as well as breathe in the tranquility and good vibes that nature transmits. This 'finca style' villa can be also a business opportunity for the future for those who are looking to rent a property and offer services and activities. The villa mixes classic Mediterranean style with modernity, combining traditional elements such as natural stone, wood and roof tiles, with other modern elements such as large windows, design interiors and technology from 2021. In the exterior area, there is a large porch with a covered barbecue and a few metres away a large and private swimming pool area surrounded by its landscape. The house has got plenty of parking area and a specific carport close to the entrance door. The villa has got a semi-basement which can be used as storage, garage, laundry or as a fourth bedroom.
