New modern apartments for sale in Estepona town. This residential development offers a total of 187 units of 1, 2, 3 or 4 bedroom homes distributed in three different residential spaces with an avant-garde design that blends into the surroundings in a consolidated area that's just minutes from the beach, the city centre and Estepona's marina. Here you will find the perfect home in the perfect place. Its south-southeast orientation makes the most of natural light and its elevated location offers magnificent views of the sea and/or the city from the large terraces, which have been designed to connect the homes with the beauty of their surroundings. Garden of Costa del Sol Estepona has become the new benchmark in Costa del Sol. Its commitment to sustainable urban growth based on quality fittings, relevant real estate projects and extensive green areas allows it to boast of being the true "Garden of Costa del Sol". The development is located in a perfectly connected area with a whole network of new fittings. Its elevated location offer beautiful views over the bay of Estepona and the beaches that extend both towards Marbella and towards Sotogrande. It is located on walking distance the marina in Estepona, the old town and the beach. The residential development has been knowingly located in a privileged area that enables you to join the main connection routes in just a few minutes. Marbella and Puerto Banús, golf courses and shopping centres, among other things, are all under 20 minutes away. Outdoors The common areas in the development, which have been designed with our commitment to sustainability in mind, are made up of top-tier facilities and a wide variety of fittings that use first-class materials. Each residential space has pleasant common areas that include gardens and a communal pool. The central development also offers an exceptional indoor pool and a fully-equipped gym. In addition, it has 245 parking spaces and 171 storage rooms in the basement of the development. Living in comfort and design The apartments has been designed to suit your needs. This development offers homes where design and comfort go hand in hand with the idea of putting a highly attractive project at your disposal. Homes with high-quality finishes, with a practical and modern distribution that allows maximum use of the space, without sacrificing aesthetics and style. Spacious and perfectly lit rooms with living rooms and dining rooms that are connected by spacious terraces. Open-plan kitchens that are fully equipped with low consumption appliances, sustainability, practicality and comfort criteria. Prices now from 2 beds 277.000 euros. 3 beds 315.000 euros 4 beds 380.700 euros
