Exclusive listing with villasolutions: Two self-contained properties: Casitas Angel are a great property investment, being two separate dwellings, with great concrete access, being only a five minute drive from the white washed village of Periana, with all amenities. Each property is nearly identical, with roof terraces overlooking the beautiful country side and mountains, a small kitchen area, a good size lounge with an open fire place, with the general bathroom having a shower plate, and two bedrooms both reasonably good sizes with high ceilings and with large windows making it very light and neutral. These properties are in a very quiet and favorable location with flexible options regards to rental potential as the popular sulphur springs are just a two minute walk away. Please view the walkabout video to see exactly what is on offer and remember this price includes both units completed.
