This villa has a private jetty, which allows access to the sea through a system of wide canals. Located in the Veneziaola area, with immediate connections to the natural islets, the golf course and the marina. It is a new construction with high quality construction and finishes typical of a high-end home. The possibility is offered, included in the final price, of carrying out a series of reforms to achieve an increase in the number of rooms and toilets, as well as a large living-dining room with a kitchen linked directly to the pool. This modification is subject to change by the interested client...(Ask for More Details!)
