-  **105m² Build Size**
-  **307m² Plot Size**

Townhouses which combine the white clarity with elements inspired by natural environment. These 6 townhouses situated on the plots of ca. 300sqm with a spacious living-room and an integrated kitchen fused with terraces outside which allows you to enjoy the mediterranean light the whole day. Townhouses of a modern design and a minimalist style. In a natural and exclusive zone which contains a perfect balance between the sea and the mountains in a protected environment.
