Incredible New Build With Impressive Views Of The Bay Of Benidorm. A unique villa for its Location and Design in a modern and minimalist style, with large glass surfaces that give extra light to your home. This stunning Villa of 635 m2, built on a plot of 704 m2, with 8 bedrooms, 4 bathrooms, large living room with kitchen equipped with top brand appliances and designer furniture, on the ground floor, with access to the terrace. In addition, a large habitable basement of 125 m2 directly connected to the house and a private pool. Sierra Cortina is one of the most famous urbanizations on the Levante coast due to its proximity to the beaches of Benidorm and Finestrat, as well as the Sierra Aitana and Puig Campana golf courses, ease of communication with the Mediterranean motorway that leads to Alicante airport and capital of Valencia. Less than 5 minutes walk there is a large commercial area with excellent restaurants, La Marina shopping center, entertainment options and restaurants. Do not hesitate to contact us.
