Adjacent to the property are out buildings which are currently being renovated to make 3 large independent bungalows, which will become substantial rental income once completed. All of these properties benefit from stunning views of the "Montgo" mountain in the distance. The owner also has an exceptional "Cattery" with an operating licence to occupy 60 cats at any one time. The business benefits from a large reception area, many individual rooms and the main cat area, all have been constructed and maintained to a superb standard. There are also additional outbuildings at the rear, which could be converted to add additional cat space, or alternatively could be used for other commercial use. At the side of the property is a large plot of land that also has potential for many uses subject to local planning. An unbelievable opportunity to purchase a beautiful Villa, a great business with massive growth potential, all close to the town and its amenities. Viewing is highly recommended!
