The property enjoys lovely gardens, a good size swimming pool, a good size store room, and a covered garage which fits 4 cars. The property also has a separate room for all the water pipes, which is very rare and easy if anything needs fixing or changing. We strongly recommend a viewing of this unique property set in the heart of Torreguadiaro. This property has a lot of possibilities for the future, the property could be refurbished into a luxury villa renovation project either for private use or for a business.
