An exclusive new project n Mijas Costa. The complex consists of 2 and 3 bedroom apartments and 3 or 4 bedroom penthouses all set in the most beautiful gardens surrounded by nature. The design of the homes combines versatility and comfort thanks to the open spaces, such as fitted kitchens with Bosch appliances and open islands integrated within the living room with direct access to the terraces as well as a Smart Home system. All this without forgetting the top quality materials used to offer current aesthetics in line with the Mediterranean design. All properties have a garage parking space...(Ask for More Details!)

An exclusive new project n Mijas Costa. The complex consists of 2 and 3 bedroom apartments and 3 or 4 bedroom penthouses all set in the most beautiful gardens surrounded by nature. The design of the homes combines versatility and comfort thanks to the open spaces, such as fitted kitchens with Bosch appliances and open islands integrated within the living room with direct access to the terraces as well as a Smart Home system. All this without forgetting the top quality materials used to offer current aesthetics in line with the Mediterranean design. All properties have a garage parking space and storage room included in the price. This promotion is located in a unique enclave in Mijas Costa, surrounded by vegetation and gardens, with spectacular common areas perfect for enjoying free time with family and friends. The focus is very much on nature with more than 13,000 m2 of common areas, where you can relax in its spa area, swim in its indoor and outdoor pools, start or end the day in the gym. It also has a Social Room where you can meet with your friends or family, urban vegetable garden and much more! One of the most exciting projects in Mijas Costa.
