Three bedroom country finca for sale Jalon valley, Costa Blanca. This beautifully reformed finca, is located in an idyllic rural setting, minutes away from the traditional, Spanish, country pueblo of Castell de Castells. Surrounded by natural beauty, mountains, the river Castells, wild flowers and trees. The finca was thoughtfully reformed several years ago. The owners have managed to modernise and update, yet retain an authentic Spanish country house design. It is a key ready property for those seeking peace, tranquility and a real Spanish life... Three bedroom country finca for sale Jalon valley, Costa Blanca. This beautifully reformed finca, is located in an idyllic rural setting, minutes away from the traditional, Spanish, country pueblo of Castell de Castells. Surrounded by natural beauty, mountains, the river Castells, wild flowers and trees. The finca was thoughtfully reformed several years ago. The owners have managed to modernise and update, yet retain an authentic Spanish country house design. It is a key ready property for those seeking peace, tranquility and a real Spanish lifestyle. Entrance to the property is via a driveway which is shared only with the olive farmers. The finca and main plot are on one level. A spacious, L-shaped, covered terrace is perfect to take shade from the summer heat. A spacious living room has a feature wood burner to keep the house warm in the winter months. Also at ground level, there is a bathroom and utility, as well as a charming, country style kitchen. From here, there are lovely views out to the surrounding countryside. Furthermore, there is access to the open terrace, and the perfect spot for al fresco dining. An internal staircase leads to three double bedrooms and a spacious bathrooms one of which is en-suite.. All of the bedrooms have picture windows, allowing natural light in and access to those lovely country vistas. The finca runs completely off grid, making it economical and ecological. There are brand new solar system, lithium batteries, brand new generator, a 22k water deposito and brand new boiler. These installations are superbly suited to the property and will easily provide all your everyday energy and water requirements. Surrounded by olive groves and almond trees, the plot has total privacy and the outside areas offer you a haven of tranquility . The driveway and parking area will accommodate several cars and a motorhome. A private swimming pool, with the mountain backdrop, completes the outside living spaces with the perfect spot for sunbathing and entertaining. There is a pen area for those with animals, a chicken coop and loads of open, natural areas to develop your own vision of paradise. The charming village of Castell de Castells is a quintessential Spanish pueblo with a fantastic sense of community. There are several excellent, rustic, country restaurants within a short drive and the village has everything you need for everyday living. A 15 minute drive takes you to the larger town of Jalon. An authentic Spanish lifestyle, an idyllic location and a charming country finca. This is a unique opportunity. Contact us for more details;
