The property is on a 16,697 sqm. Outside have a large swimming pool 12m/6m There are horse stables and two courtyards ( size like 2 tennis bowls) ideally for people who love horses, and lovely mountain viewing. Pinoso is the 5th richest town in Spain (per capita). Its wealth comes from salt and marble deposits and the farming of almonds, olives, and grapes, the latter producing highly rated wines available to buy at very low prices in the many local bodegas where you can also get the fantastic locally produced olive oil. The town's wealth is reflected in the quality of local services, first-class amenities, and the surprisingly low taxes paid by local people. The amenities include a modern medical centre; sports centre; swimming pool; football ground; theatre; four schools, four supermarkets, and excellent restaurants, bars, and street cafes. For those who prefer gentler pursuits, a short distance from the town, in the hills, the authorities have provided a beautiful picnic area among the pines, complete with barbecues, seating areas, and running water.
